Dear Jim:

Enclosed are two copies each of the revised draft *Sampling and Analysis Plan* (SAP) and *Quality Assurance Project Plan* (QAPP) for the Flyway Site near Libby, Montana. It is believed that the comments and concerns of you and Mary Goldade have been addressed.

Since we plan a May 2004 start for the work at the Flyway, your prompt review and approval of these documents would be appreciated.

Please advise if there are any questions.

Yours very truly,

R. R. Marriam
